School District

CAHSEE Math • For Grades 10th-12th, 5 credits

Classes limited to 12 students.

CAHSEE Math - California High School Exit Exam - Required for Graduation
Available as a semester course or taken in our summer school program. Diagnostic exams and prescriptive assignments provide focused instruction on the math topics included in the CAHSEE Mathematics exam.

- Develop test taking strategies.
- Increase confidence.
- Earn math credit, while in a fun supportive environment.

Life Skills: The math you need for real life!, 5 credits

This course on FINANCIAL SURVIVAL will cover:

- creating a personal budget and balancing a checkbook;
- buying a car, and understanding auto insurance;
- renting an apartment & buying a home;
- managing credit, and your credit report;
- preparing your taxes;
- improving personal wealth.

*“Great! Thank
you so very much!
I have to say that
after starting at
Math Support, I
have never been so
fearless about math.
I’m really enjoying
it now.”*
