

Yes you can!

Do ONE YEAR GEOMETRY

June 1ST through July 15TH
OR

June 15th through July 29th

Accepted by William S. Hart School District

Accredited by WASC
(Western Association of Schools & Colleges)

Course Description: Students will complete a full year of geometry in this accelerated course. Credit will be issued for both Geometry 1A and 1B (10 credits). Students must be motivated and have good study habits. Included in the price are classes, one on one tutoring, & study hall. Applications available at Math Support Services.

Prerequisites to Enroll: All students must take the UCLA/UC Geometry Readiness Test; administered *FREE* at Math Support Services. Student's score must be at least 75% on the test. All students must provide evidence of academic excellence; a transcript from your school is required at the time of enrollment.

Cost for both classes: ONLY \$1,500 for both classes! Enroll by May 1ST and save an additional \$50
